Message from the President

East Central Community College Warrior Athletics is a vital part of our total program. Over 220 men and women compete in organized athletics through our athletic programs. These student athletes have the opportunity to pursue opportunities in athletics and academics beyond the high school level. Their athletic abilities provide a means for them to attend college and pursue their educational goals.

We are extremely proud of all of our athletic programs at East Central. Each program contributes its own unique qualities to the overall athletic program of the College. Several of our athletic programs excel each year and over time all of the programs will have an opportunity to extend their season.

A special thanks is extended to all of the coaches who work with these young men and women. They instill in their players a work ethic and a commitment to excellence that will serve the students well as they move to the next chapter of their lives. The lessons learned through athletic competition are always with the student athlete after they have moved beyond organized athletics.

You, the fans of Warrior Athletics, are also a significant part of East Central. Your support of our athletic programs is important to all of us, especially the student athletes. The reward for all of the athletes' hard work in practice and conditioning is the support of the fans on game day. So, on behalf of all those involved in Warrior Athletics, THANKS!

Message from the Athletic Director

As we once again prepare to kick off another year of athletics, we have high hopes to have another successful campaign. We look forward to the challenge of shaping young athletes into college players. We know that they will set forth a positive image for the College and the community both on and off the playing surfaces. Each athlete will be involved in many hours of practice time just for a few moments of playing time. But, it will be worth their efforts when they are rewarded with the thrill of victory.

Sincerely,

Sammy Pace

WHAT IT MEANS TO BE A WINNER.

Winning isn't everything ... but being a winner is. Because a winner looks at the scoreboard and, no matter what the final points reflect, takes pride in a game well played. It's called sportsmanship. And anyone who is a great sportsman is a winner throughout life.
